na sesji w dniu 25.09.2019 r.

2. Zgłaszający:

Radna: A. Komendera

3. Treść interpelacji:

w załączeniu.

Agnieszka Komendera
Radna Miasta Oświęcim

Oświęcim, 25.09.2019r.

Pan
Janusz Chwierut
Prezydent Miasta Oświęcim

Szanowny Panie Prezydencie,

na podstawie zapisów Statutu Miasta Oświęcim, rozdział IV, § 50, składam interpelację w sprawie zaplanowania wymiany otoczków wkomponowanych w płytę Rynku Głównego.

Zwracając uwagę na bezpieczeństwo naszych mieszkańców, zwracam się do Pana Prezydenta o zastąpienie otoczków na płycie Rynku Głównego bardziej przyjaznym materiałem np. w innym kolorze płyt granitowych, które są już wykorzystane na płycie. Jak wszyscy zauważyliśmy konieczność spoinowania otoczków jest coraz częstsza co potęguje koszty utrzymania w dobrym stanie technicznym i bezpieczeństwa płyty Rynku. Załączam dokumentację zdjęciową z dnia dzisiejszego.

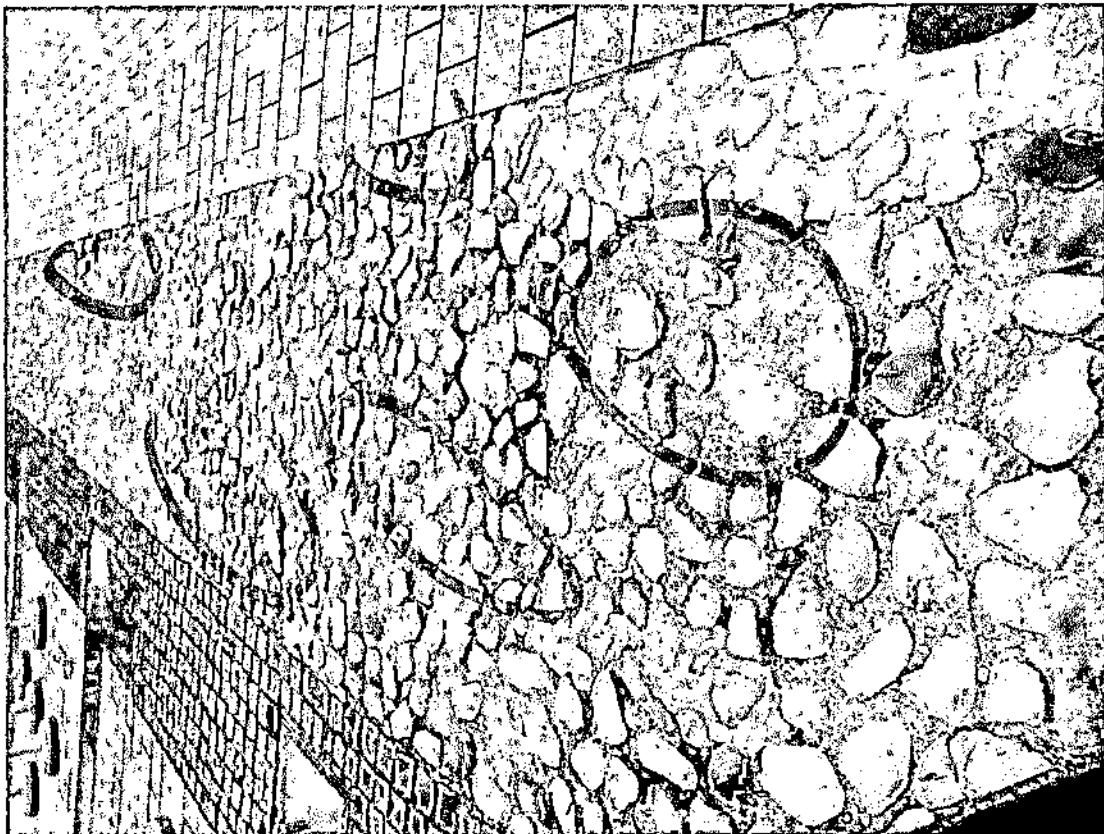

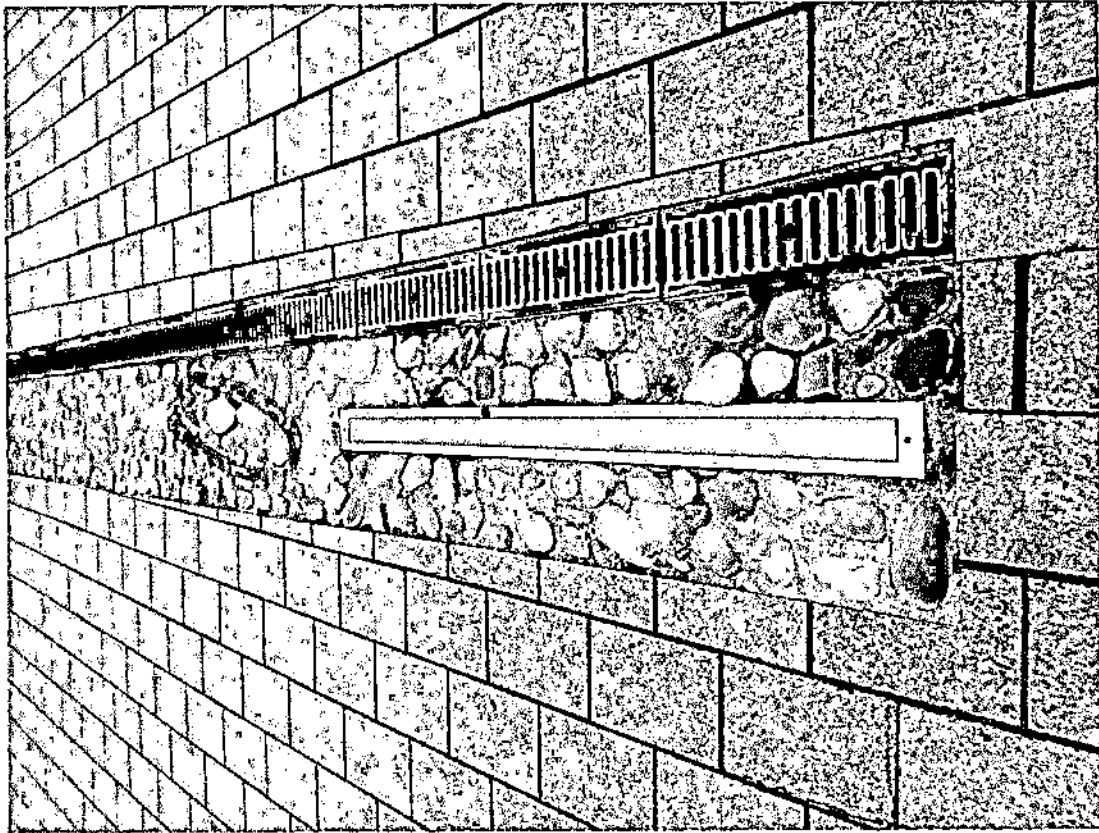

Najważniejsze jest bezpieczeństwo naszych mieszkańców. Oczywiście też historia jest ważna, z przekazów starszych mieszkańców, którzy pamiętają Rynek wyłożony takimi otoczkami w całości, proponuję dla zachowania historii pozostawienie otoczków przy studni.

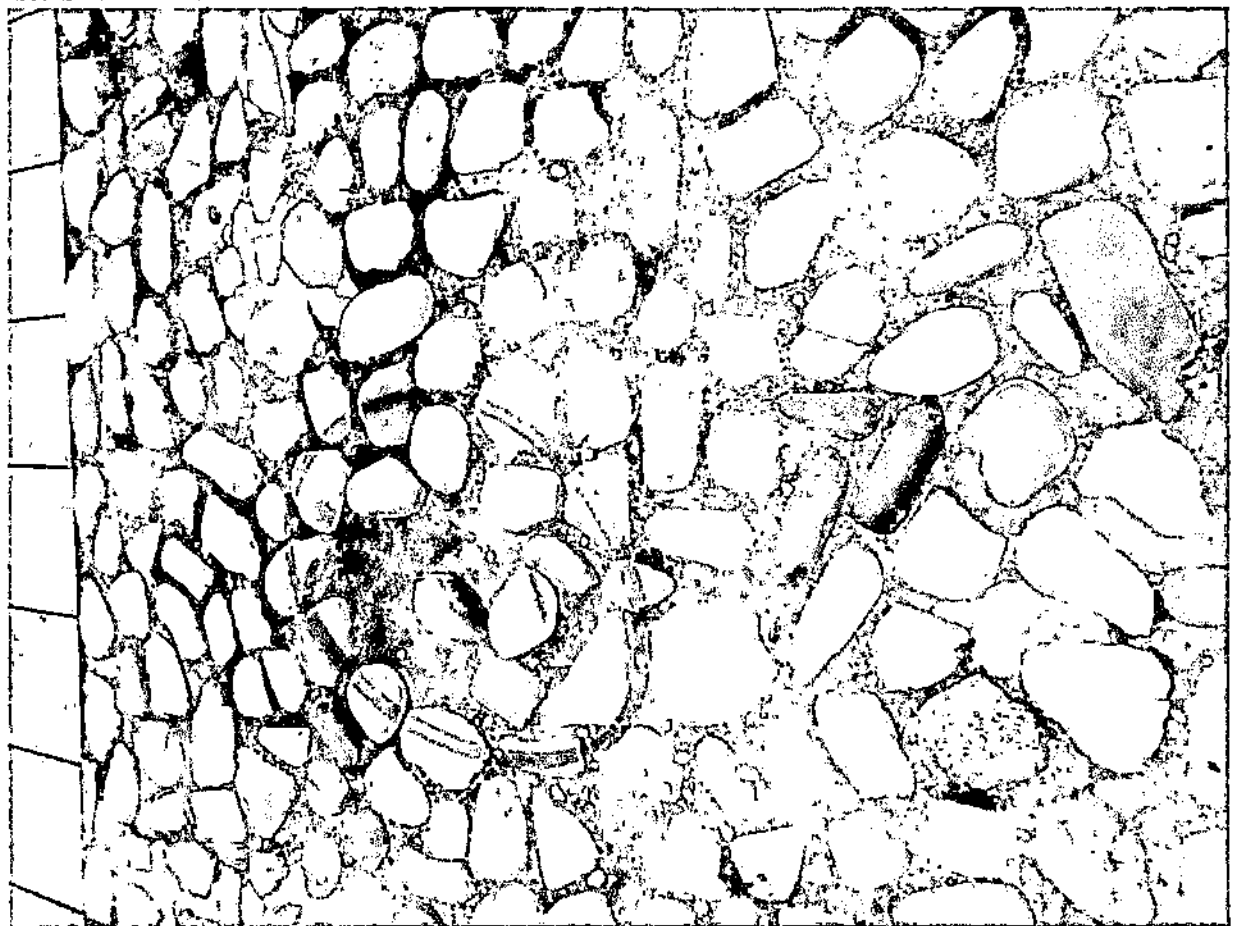

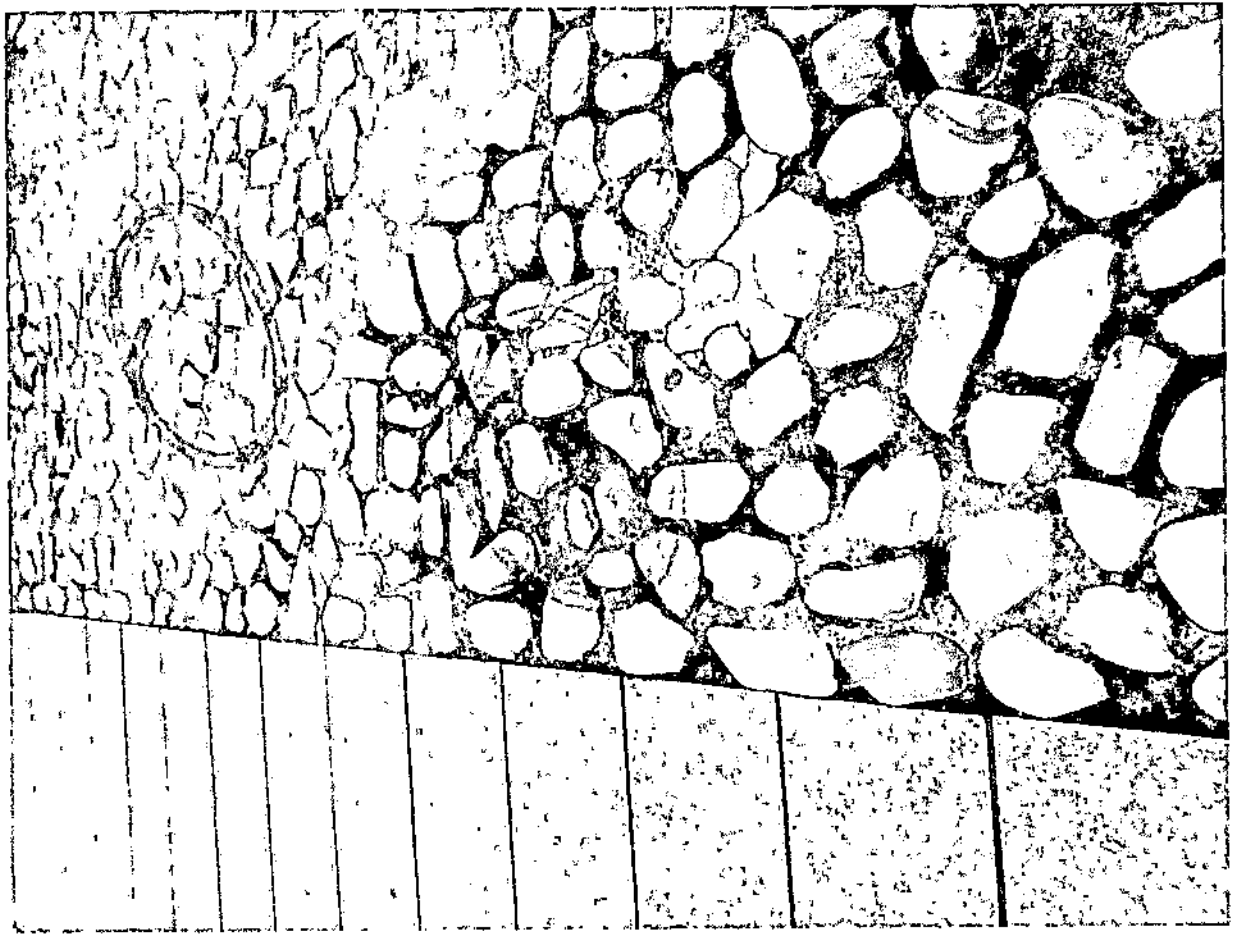

Proszę o przychylenie się do woli mieszkańców naszego miasta.

Z wyrazami szacunku,

Agnieszka Komendera
Koalicja Obywatelska Samorządowa _KOS 2018

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the financial aspects of the organization. It provides a detailed overview of the budget, including the projected income and expenses for the upcoming year. This section also discusses the various financial risks and how they are being managed to ensure the organization's financial stability.

3. The third part of the document addresses the human resources aspect of the organization. It discusses the current staffing levels and the need for additional personnel in certain areas. This section also outlines the various training and development programs that are being implemented to ensure that the staff is equipped with the necessary skills and knowledge to perform their duties effectively.

4. The fourth part of the document discusses the legal and regulatory aspects of the organization. It provides an overview of the various laws and regulations that apply to the organization's operations. This section also discusses the various legal risks and how they are being managed to ensure that the organization is in full compliance with all applicable laws and regulations.

5. The fifth part of the document discusses the environmental and social aspects of the organization. It provides an overview of the various environmental and social issues that the organization is facing. This section also discusses the various initiatives that are being implemented to address these issues and ensure that the organization is operating in a sustainable and socially responsible manner.

6. The sixth part of the document discusses the overall performance of the organization. It provides a summary of the key achievements and challenges that the organization has faced over the past year. This section also discusses the various strategies that are being implemented to improve the organization's performance and ensure that it is able to meet its long-term goals.

7. The seventh part of the document discusses the future of the organization. It provides an overview of the various opportunities and challenges that the organization is facing in the coming years. This section also discusses the various strategies that are being implemented to ensure that the organization is able to capitalize on these opportunities and overcome these challenges.

8. The eighth part of the document discusses the conclusion of the report. It summarizes the key findings of the report and provides a final assessment of the organization's overall performance. This section also discusses the various recommendations that are being made to improve the organization's performance and ensure that it is able to meet its long-term goals.
